Chapter 1.

FLUFFY THE KITTEN

Hello! I am Fluffy. Fluffy the Kitten. I am 2 months old. My fur is white and gray, and it's very fluffy!

I live in a house in the countryside with a family of five people — Mr. and Mrs. Smith and their children, Ann, Lisa and Sam. The girls are 12 and 8 years old, and Sam is 16. I am good friends with Ann and Sam, but Lisa likes to tease me. She always asks Mr. and Mrs. Smith to get a dog. A dog! I don't understand it. Mr. and Mrs. Smith are very kind and they often give me treats. It's good to live with a family!

The house we live in has a garden. I go for a walk there a lot. Right now it's summer — it's warm outside and the sun is very bright. The grass is green and there are flowers everywhere. Today, I'm in the garden with Ann. We are playing in the grass. Mr. Smith is at work and Mrs. Smith is in the living room. She is reading a book. Lisa is in her room. She is playing with her toys. Sam is in the house. He is in his room. He is "on the computer". It's a big square thing on his desk. I don't know what it does, but Sam is "on" it a lot. Sometimes, Mr. Smith tells him to stop. Mr. Smith always says Sam is "on" the computer a lot, but he's not. He is in his chair and the computer is on the table. I don't know why Mr. Smith thinks Sam is on it... Humans are strange sometimes.

Today is a fine day. I like to be outside! But only in the summer. Oh, I think I hear Mrs. Smith calling me to eat!
