**Letter I — Illusions, Ice
Cream & a Day of Imagination**

One sunny morning, the
Letter I woke up bright and
early.

I Drew!

After washing up and getting dressed,
I zipped up my suitcase, packed with
toys, juicy treats, and
magical items
for tricks.

With a cheerful bounce, Letter I called
to her assistant—a clever little iguana—and
off they went in a musical car,
heading straight to Little Bunny's yard.

♪ The car tooted a joyful tune as it arrived. Children and parents gathered, curious and excited.
